

## **Five Students Receive Michigan Sea Grant Internships**

We have more great news to celebrate! This winter CFRE faculty and staff worked with five of our students to submit applications for \$5,000 Michigan Sea Grant summer internships. Recently we were informed that all five were selected for funding!

Congratulations to the students and their faculty/staff sponsors!

**Timothy Boyd** - Fish & Wildlife; sponsored by Dr. Jon Doubek

**Julianne Green** - Biology; sponsored by Dr. Ashley Moerke and Anglers of the AuSable

**Samuel Johnson** - Fish & Wildlife; sponsored by Dr. Jon Doubek

**Dakota VanFleet** - Fish & Wildlife; sponsored by Ms. Beth Christiansen

**Molly Wozniak** - Fish & Wildlife; sponsored by Dr. Ashley Moerke

Tim, Julia, Sam, Dakota, and Molly will all be conducting innovative research and community engagement projects as a result of this funding. Keep an eye out for all of their great work to come this summer!

Cheers,  
Ashley
